ABOUT ME

As an aspiring and dedicated BSIT student, I, Nathaniel P. Ornopia, believe in leadership that listens, acts, and represents. I am driven to serve my fellow students by being a reliable voice who understands their needs and concerns. With a strong sense of responsibility and teamwork, I aim to contribute to a more active, inclusive, and student-centered CCS community. I am committed to creating positive change by encouraging participation, promoting collaboration, and ensuring that every student is heard and valued.

PLATFORMS

Stronger Student Representation
I will serve as the voice of CCS students by actively listening to concerns and ensuring they are properly addressed.

Skill-Building Activities
I will organize seminars, workshops, and outreach programs to enhance both academic and real-life skills of students.

Transparency & Communication
I will promote clear and open communication by providing regular updates and making information accessible to all students.

PROJECTS

Here are my platforms and the actions I will take to ensure your voices are heard, your needs are addressed, and your ideas are put into action:

- **Student Voice Channel** – A platform where students can freely share concerns, suggestions, and feedback.
- **Tech & Life Skills Workshops** – Events focused on technical knowledge and personal development.
- **Monthly CARES Updates** – Consistent updates on activities, plans, and student concerns.
- **Collaborative Outreach Programs** – Partnerships for meaningful and community-centered activities.

SOFT SKILLS

- Strong communication
- Event participation
- Teamwork and collaboration
- Time management
- Leadership
- Organizational skills
- Adaptability
- Willingness to learn

CREDENTIALS

A committed student leader with a growing foundation in service, collaboration, and continuous learning. These credentials reflect my dedication to representing students effectively and contributing to a more active, inclusive, and forward-thinking CCS community.

Leadership & Student Engagement

- **Active Student Participant, CCS Community**
  - Consistently involved in school activities and programs, demonstrating initiative, teamwork, and a strong commitment to student participation and engagement.
- **Aspiring CARES Representative**
  - Driven to serve as a reliable voice for students by listening, understanding concerns, and promoting inclusive and student-centered initiatives within the college.

Organizational & Collaborative Skills

- **Event Participation & Coordination**
  - Contributed to the success of various academic and extracurricular activities by assisting in planning, coordination, and execution, ensuring organized and effective student events.
- **Team Collaboration & Communication**
  - Worked closely with peers in group tasks and projects, fostering cooperation, idea-sharing, and effective communication to achieve common goals.

Academic & Personal Development

- **BS Information Technology Student (2nd Year)**
  - Currently pursuing a degree in Information Technology, building foundational knowledge in computing, problem-solving, and digital skills relevant to today's technology-driven environment.
- **Continuous Learning & Adaptability**
  - Committed to self-improvement by actively learning new skills, adapting to challenges, and staying open to opportunities that enhance both academic and personal growth.
